UM POUCO SOBRE A NOSSA HISTÓRIA

A Gaiolas e Viveiros Real é uma empresa piracicabana que há 10 anos atua no mercado de pets, fornecendo gaiolas, viveiros, puleiros, criadeiras de aves e roedores e acessórios afins para todo o Estado de São Paulo e outros. Agora com novo gerenciamento, visa ampliar ainda mais seu setor produtivo, investindo em maquinário moderno e pessoal especializado.

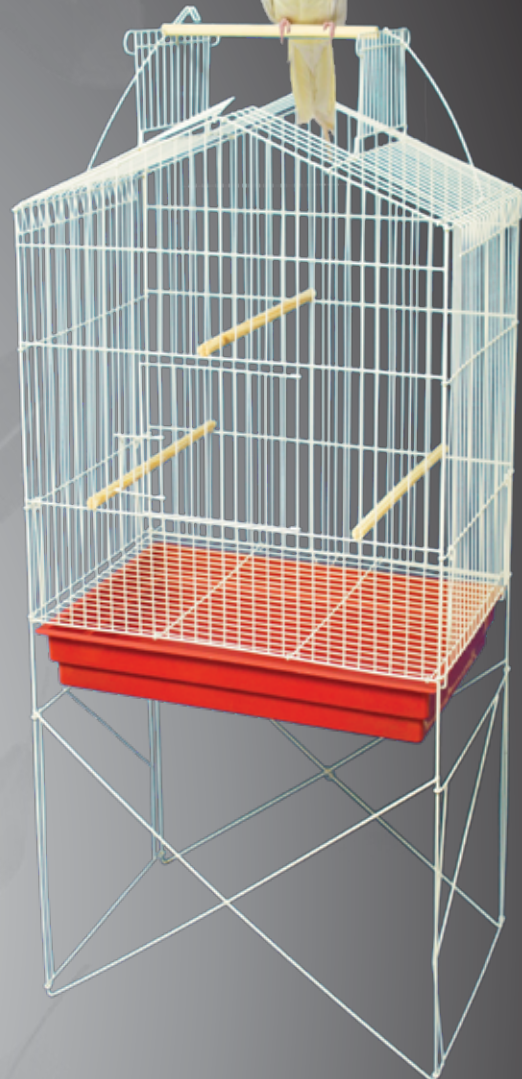

Nossos produtos são projetados e fabricados com custo mais acessível à maioria dos consumidores, pois, é nosso objetivo que uma maior quantidade de criadores possam se utilizar de nossos viveiros para proporcionar mais conforto e mais segurança para os seus animaizinhos de estimação. Pensando no interesse dos nossos revendedores desenvolvemos gaiolas e viveiros com juntas dobráveis, que facilita muito no transporte e estocagem das peças, pois se acomodam bem em espaços reduzidos.

O mais importante porém, é que sem abrir mão da boa qualidade dos materiais utilizados, oferecemos produtos com excelente acabamento, design moderno e garantia em todas as peças.
